UNCLAIMED PROPERTY AUCTION – AUGUST 26, 2006

Welcome to the State of Florida Unclaimed Property Auction. Please be aware of the following:

- 1) Make sure to have adequate funds available (on hand) to pay for any purchases. All purchases must be paid for in full by the end of the day. Those who are planning to use debit cards need to be familiar with their financial institution's or card's daily withdrawal limits and plan accordingly. Fisher Auction Company will also accept cash, cashiers checks and travelers checks.
- 2) Please review the catalog addendum (at and during the auction) for items that have been pulled/removed and for any revised lot items/amounts. The catalog was printed approximately five weeks before the auction, and some items may have been claimed during the interim.
- 3) Historical stock certificates are sold for collectible (scripophily) significance only, having no redeemable or cash value as securities.
- 4) Pay close attention to the auctioneer. He conducts the auction quickly, selling an average of one lot every 20 to 25 seconds.
- 5) All merchandise will be sold to the highest bidder at the fall of the hammer, subject to the minimum reserve price being met. All sales are final. Each lot will be sold in "AS IS" condition. Fisher Auction Company, nor the Department of Financial Services will be responsible for the correct description, genuineness, authenticity, or defect in any item, and makes no warranty in connection therewith. Inspection to determine the condition, value or authenticity of merchandise sold is the sole responsibility of the buyer prior to the auction. No sale will be set aside or allowance made due to any imperfection not noted. There will be no deductions for damaged articles. *The catalog is subject to error, omissions, deletions and changes.*
